Council for Tobacco Research, U.S.A., Inc.
900 Third Avenue
New York, NY 10022

Dear Sir:

Please mail to the addresses indicated below information on programs and projects currently being considered for support by the Council. Please send information on any specific funding opportunities for projects involving research on the connection between tobacco use and human health, specifically cancer and chronic pulmonary ailments.

Please forward guidelines, brochures, application kits and, if available, an annual report to provide additional background information on the Council.

The materials requested can be mailed to:

Elaine Riberich
University of Pittsburgh
Office of Research
350 Thackeray Hall
Pittsburgh, Pa. 15260

Joan Nilson
Pittsburgh Cancer Institute
230 Lothrop St.
Pittsburgh, PA 15213-2592

Thank you for your attention to this request.

Sincerely,

Elaine Riberich
